(LISTED BELOW)

SUPPLEMENT TO
REPORT NO.

25X1X

1. There are Soviet air bases at the following locations:
 - a. A seaplane base is located near Misovsk (51-43N, 105-55E).
 - b. Sturmovaya Airfield is located three kilometers east of Yerofei Pavlovich (53-59N, 121-57E).
 - c. A bomber station is located in a valley four kilometers from Mogocha (53-45N, 119-47E).
2. According to the informant all these bases belong to the same division and are under the command of a major general. The hangars of these bases, including the seaplane base, are built underground in the sides of mountains.
